

Dear Sir/Madam

To Whom It May Concern.

Rwanda Development Board has established a long term relationship with The Red Rocks Initiatives: A non-profit organization operating in the wider Virunga Massif Landscape of Rwanda, Uganda and the Democratic Republic of Congo for sustainable development.

Rwanda as a World leader in conservation and conservation practices, has achieved conservation, sustainable tourism and socioeconomic development significantly with the support of her recommendable conservation, sustainable tourism and nature-based partners. Amongst, The Red Rocks Initiatives whose agenda which is to ensure that the local communities benefit from their skills in trade, art, music, education, and much more so that people can gain from sustainable tourism, while they help in environmental conservation and in return their livelihoods are improved.

With The Red Rocks Initiatives' objectives and mission, we strongly recommend any kind of support and partnership aimed to further their activities that are of life changing to the communities adjacent our Protected Areas, especially Volcanoes National Park.

Best Regards,

Eugene MUTANGANA,

Head of Tourism & Conservation,

Rwanda Development Board.
